

# BHF PROTECT-TAVI

## NEW SITES

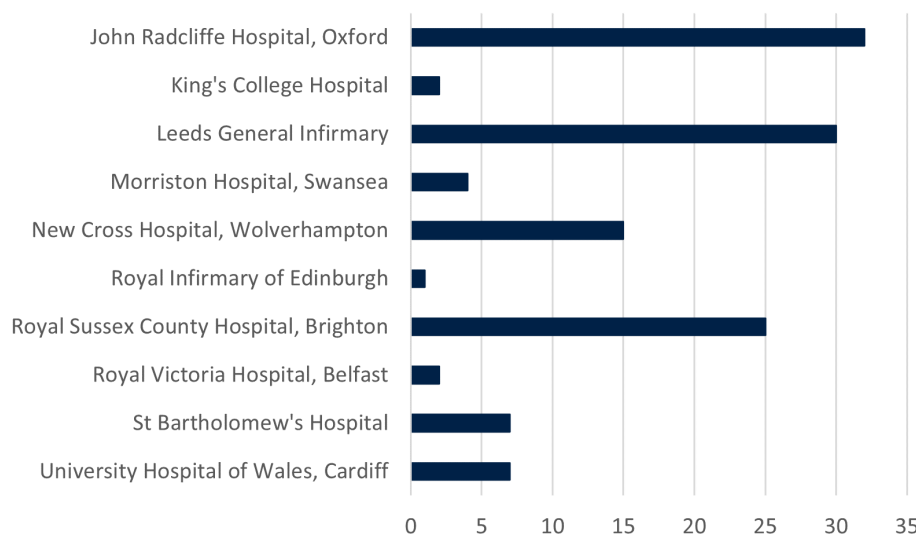

Welcome to the team at **Royal Victoria Hospital, Belfast** for randomising their 1st participant!

## eCRF GOES LIVE!

The eCRF is now live and ready to use! Case report forms can be entered online using your Sealed Envelope account. To be granted access, please ensure you have signed and returned the eCRF training log.

Monthly query reports will be issued from May.

## MARCH RECRUITMENT - 125 PARTICIPANTS!

Congratulations to **Leeds General Infirmary** for recruiting their **100th** participant!

Figure 1: Shows the distribution of participants recruited across sites in March.

---

## TIME OF RANDOMISATION

Version 2.0 of the Randomisation WPD is now available on SharePoint.  
The key update is the timing of randomisation:

**Randomisation must be performed before the start of the TAVI procedure which is defined as first arterial puncture.**

## SITES OPEN TO RECRUITMENT

So far we have **13** sites open to recruitment! As you can see on the map, the locations are varied with sites open in:

- Basildon
- Belfast
- Brighton
- Cardiff
- Edinburgh
- Leeds
- London (Bart's, King's College, St Thomas')
- Oxford
- Plymouth
- Swansea
- Wolverhampton

If you are interested in the trial but your site is not yet listed above get in touch with us and we will work with you to get you on the map as soon as possible

## ESSENTIALS OF CLINICAL TRIALS

London School of Hygiene & Tropical Medicine (LSHTM) will be running an online short course in clinical trials from **5 to 9 July 2021**.

For further information and an application form please visit:  
<https://www.lshtm.ac.uk/study/courses/short-courses/clinical-trials>
